

## Orange Presbyterian Preschool

Here at Orange Presbyterian Preschool our motto is "love one another". We are a faith based center, developmental, and give our children every opportunity to grow. Our highly trained caregivers have the necessary experience, are certified in CPR and First Aid, and have taken the mandatory classes to be certified. We understand that every moment with your child is precious. We provide a safe, healthy, and respectable environment for both the child and their parents. We know your child will love and enjoy their time spent here in this new home away from home.
